

For over 50 years, the D'Youville name has set the standard for compassionate care for seniors in the Greater Lowell community.

Our mission: In the spirit of the Sisters of Charity of Ottawa, the Grey Nuns of the Cross, founded by Elisabeth Bruyere, and continuing the healing ministry of Jesus Christ, D'Youville Life & Wellness Community identifies and responds to the needs of the community with professional and compassionate care.

With *The Saab Residence*, our new affordable supportive housing and assisted living with memory care residence, our campus spectrum of care is enhanced by offering services to seniors of all income levels who require assistance with Activities of Daily Living, but are still able to live independently. Our assisted living with memory care offers services to those with the early onset of memory loss.

Our monthly fee includes your apartment, utilities, full dining services, common gathering areas, scheduled daily activities, a customized wellness plan, medication management, assistance with Activities of Daily Living, 24-hour on-site staff, secure gardens and patio, and so much more.

Please contact Beverly Stoebel, Saab Residence Director of Community Marketing, at (978) 569-1018 or [bstoebel@dyouville.org](mailto:bstoebel@dyouville.org) for more information or to apply for residency.
