

Caring Connection

SPRING 2019

Honor a Loved One

With Mother's Day on May 12th, Memorial Day on May 27th, and the start of graduation season, why not consider a gift in honor of, memory of, or in celebration of a family member or friend? May is the perfect month to honor a loved one with a donation to D'Youville Life & Wellness Community Foundation.

Make a Lasting Impact

With the warm weather upon us, did you know that the D'Youville Park was constructed to create a lovely, safe outdoor space for our residents, visitors and neighbors? Featuring walking paths, a fountain, pergola and a series of gardens, it is a lovely space for a stroll, and place to enjoy the outdoors. The park is also home to our summer concert series, summer farmers market, and more. The next time you are on campus, we invite you to take a walk and see what a wonderful place it is.

Fully funded by the generosity of our supporters, we offer several options to honor loved ones in the park:

- Honor a loved one(s) with a **Memorial Brick**. The engraved 8x8 red bricks can be placed in a variety of spots from which you may select. (Donation: \$150 per brick)
- **Plant a Giving Tree**. Plant a tree (flowering or evergreen) to pair with an engraved memorial brick. (Donations start at \$1500 per tree and include a brick.)

Donations

For more information on giving options, please contact Tara Dhar, Director of Philanthropy via email at tdhar@dyouville.org or via the phone, **978-569-1024**.

To honor a loved one, simply visit our website at www.dyouville.org, choose your donation amount and fill in the name of the person you are honoring.

We thank you in advance for your continued support!

Mother's Day Spotlight: Resident Sheila Lowell

Saab resident Sheila Lowell, is delighted she gave the Saab Residence the opportunity to impress her. Last year, she was living independently at home and suffered a bad fall. Upon her release from the hospital, she was transferred to D'Youville to The Center for Advanced Therapy for her rehabilitation. While undergoing care, she and her daughter began to investigate living options. They didn't need to go far. The Saab Residence on the D'Youville campus, offers 60 modern assisted-living apartments that offer traditional and memory care options. Sheila agreed to a two-week trial living at The Saab Residence. She quickly embraced the carefree atmosphere, friendly staff, beautiful living environment, opportunity to socialize, and most importantly, the security of 24/7 staff. Happy Mother's Day, Sheila. Your daughter is so grateful that you are happy, safe and secure in your new home!

Sue Laroche, DCAT Rehabilitation Supervisor, resident Sheila Lowell and daughter Cindy Good
