July 8, 2026

Ms. Christy Nary, Executive Director
The Saab Residence
1085 Varnum Avenue
Lowell, MA 01854

Dear Ms. Nary,

The Executive Office of Aging & Independence (AGE) has completed the biennial compliance review of The Saab Residence (the Residence) in response to your submission of an application for re-certification as an Assisted Living Residence as set forth in 651 CMR 12.03(4) et seq. Based on this review, AGE has determined that all findings identified during the compliance review on May 14, 2026 have been sufficiently addressed through the submitted plan of correction and that the Residence meets all the requirements established in 651 CMR 12.00 et seq. to operate and maintain an Assisted Living Residence.

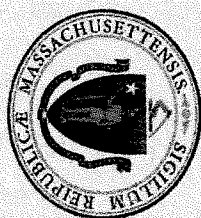

The enclosed is a certificate to operate and maintain a 60-Unit Assisted Living Residence. The certificate is valid until March 23, 2028. Please note the requirements established in 651 CMR 12.03(9) regarding posting of the certificate in the Residence and non-transferability of Certification.

If during the certification period AGE determines documents submitted in compliance with the regulations require modification or supplementation, it will so notify the Residence and will include a deadline for provision of the information needed to retain certification. Also, if there are any material changes to the operating plan, you are required to notify AGE at least 30 days prior to the effective date of changes. In addition, the financial disclosure form developed by AGE must also be completed and submitted annually within 90 days following the end of the Assisted Living Residence's fiscal year.

If you have any questions, contact Thomas Thompson at (617) 573-1792 or thomas.j.thompson@mass.gov

Sincerely,

Robin Lipson
